SUMMARY

Full Stack Developer specializing in the MERN stack with strong frontend expertise. Experienced in building scalable, responsive web applications, designing and integrating REST APIs, and shipping client-ready projects from development to deployment. Passionate about clean code, performance optimization, and modern UI/UX. Built 25+ projects, including a doctor-patient healthcare platform and a production-ready business website.

SKILLS

Frontend:	React.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, Tailwind CSS
Backend:	Node.js, Express.js, REST APIs, JWT Authentication, Django (Basic)
Database:	MongoDB, Mongoose
Tools & Platforms:	Git, GitHub, Postman, Vercel, Render, Netlify
UI & Animation:	Framer Motion, GSAP, Responsive Design

EDUCATION

Full Stack Developer

Remote

2020 – 2024

- Collaborated with a senior developer to deliver 6+ client-based web applications end-to-end.
- Built responsive, reusable frontend components using React.js and Tailwind CSS.
- Developed and integrated REST APIs using Node.js and Express.js.
- Implemented core backend features including user authentication (JWT) and data handling.
- Performed database operations and modelling with MongoDB and Mongoose.
- Deployed applications to production using Vercel (frontend) and Render (backend).

PROJECTS

DentalCare — Clinic Management & Appointment Booking System

MERN Stack

- Built a role-based dental clinic app with Patient, Doctor, and Admin access.
- Patient: browse clinic, book and manage appointments, update profile.
- Doctor: set schedules, view appointments, and update their status.
- Admin: manage doctors, users, appointments, and clinic operations.
- Secured all roles with JWT authentication and authorization.

Duva Tech — Solar Panel Business Website

MERN Stack

- Designed and developed a complete, production-ready website for a solar panel business.
- Built a responsive, modern UI with smooth animations to showcase products and services.

Additional Projects

- 25+ frontend projects built and deployed on Vercel / Netlify (full list in portfolio & GitHub).

EDUCATION

B.Tech in Electronics & Communication Engineering

Technocrats Institute of Technology (RGPV), Bhopal

CGPA: 8.35
